# Groveland Park

Each classroom will be taking bi-weekly trips to Groveland Park for a picnic lunch. Each classroom will send home a calendar of the days that they will be going to the park. On these days please make sure to send a disposable lunch that includes a drink.

# Gardening

Each classroom will have a rotating schedule and will be responsible for looking after our backyard garden. Our garden this year includes: Rhubarb, Onions, Carrots, Tomatoes, Zucchini, Cucumbers, Basil, Peppers, Green Beans, Potatoes and an assortment of flowers. The children will learn about garden care and how to use the garden tools. They will be able to water the plants and vegetables, dig up the weeds and if any of the vegetables are ready to pick we will have them for snack!
