

Answering the Call

“The harvest is plentiful, but the workers are few.” – Matthew 9:37

Generations of Nativity parishioners have answered Jesus’ call by living their faith through service to those less fortunate and supporting our parish’s mission to be a welcoming community grounded in the Eucharist, the sacraments and prayer. At Nativity, all parishioners – young and old – are invited to listen to Jesus’ call to service and answer it by becoming involved in parish life and that of the larger community.

Your involvement starts by prayerfully considering your interests, the special gifts and talents with which God has blessed you and the areas where you feel called to serve. Then, simply check the volunteer opportunities that interest you and drop this form in the Sunday collection basket or return it by mail to:
