Direct Answers to Questions About Electronic Offertory Contributions

Q: What is Electronic Contribution?

A: Electronic contribution is an automatic transfer program which allows you to make contributions to Offertory without writing checks.

Q: What is the advantage of Electronic Contribution?

A: It saves you time! It saves you work! It saves you postage! It simplifies your life! You also help the church stabilize its budget and save money.

Q: How is my electronic contribution automatically deducted from my account?

A: Once you authorize the transfer, your specified contribution is electronically transferred directly from your checking or savings account to the church's account.

Q: When will my contribution be deducted from my account?

A: Monthly contributions will be transferred from your account either on the 1st or the 15th of each month, whichever day you elect. You never have to worry about forgetting a payment or mailing it on time.

Q: If I do not write checks, how do I keep my checkbook balance straight?

A: Since your contribution is made at a pre-established date, you simply record it in your checkbook register on the appropriate date.

Q: Is electronic contribution risky?

A: Electronic contribution is less risky than check contribution. It cannot be lost, stolen or destroyed in the mail. It has an extremely high rate of accuracy.

Q: What if I change bank accounts?

A: Notify us and we will give you a new authorization form to complete.

Q: How do I change the amount of my contribution?

A: Complete a new authorization form and return it to the church office.

Q: How much does electronic contribution cost?

A: It costs you nothing and saves you time.

Q: What if I try electronic contribution and don't like it?

A: You can cancel your authorization by notifying us at any time. But, once you've enjoyed the convenience, time and money savings of electronic contribution, we doubt you will want to go back to making contributions the way you did before.

Q: How do I sign up for electronic contribution?

A: Complete and sign the authorization form on the reverse side and return it to the church office along with a voided check or savings deposit slip.

Q: How will my electronic contribution be recorded?

A: A record of your offering will appear on your bank statement, as well as, your parish contribution statement.

Please see other side of this page for Authorization Form.
